ATLANTA COMMUNITY ISSUE

Atlanta's Transit Is *Not* Working for Everyone.

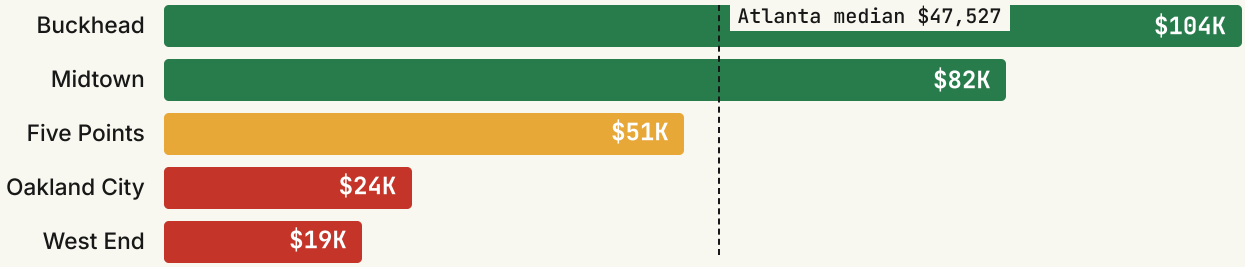
A proposal for equitable access to MARTA, built on research from Georgia Tech, Georgia State, and the Kinder Institute.

10%
of Atlanta commuters use MARTA

5.4×
income gap between Buckhead & West End stations

THE PROBLEM

Built Unequal by Design.



Median household income by MARTA station area. Sources: Atlanta Regional Commission; U.S. Census Bureau ACS.

TWO PATHS FORWARD

01

Support Propel ATL.

Expand their advocacy work into the neighborhoods with the worst transit access.

02

Scale MARTA Reach.

On-demand vans that solve the first and last mile problem. Now live in 12 zones.
